

Badfinger - The Director's Cut is just the tip of the iceberg. Below are the original questions and outline that were used during my interviews with Mike Gibbins, Joey Molland and Kathie Molland. In an effort to tell the entire story, we are pleased to be offering *The Complete Interviews - 3-tape set*.

Approx. 90 minutes each, Mike, Joey and Kathie tell it all! This is a special offer to our customers who purchased the *Badfinger Director's Cut* before June 10, 1997. You may purchase *The Complete Interviews* for \$54.95. That's \$20.00 off our suggested retail price of \$74.95.

Because of your advance purchase, we were able to release the documentary with quality footage and complete videos. Without your purchase, the documentary would have never been completed. You're all part of it Thanks! - Gary Katz
